### **Monthly Parish Council meeting**

The usual monthly meeting followed on thereafter:

### **PCSO**

The report had been circulated to all Councillors and will be available to view as a report on the website. There were:

- 1 x Arson & Criminal Damage
- 1 x Drug Offences
- 1 x Miscellaneous Crimes Against Society
- 1 x Public Order Offences
- 3 x Theft

### **Somerset Council**

The monthly report had been shared with Councillors before the meeting. This can be found on the Parish Council website: <https://www.colefordpc.org.uk/meetings.php>

### **Coleford Shedders**

The renovations to the Careys Mead telephone box are progressing well, the glass has been removed, stripped and primed. A new door has been constructed and a new handle in the same original style will be purchased.

The Shedders have proposed that a recycled material costing approx. £110.00 would offer better value for money over hardwood for the renovation of the Preachers Vale benches. The Council agreed that the materials should be purchased and submitted to the Council for payment.

The Coleford Shedders are considering whether they will create a new notice board for outside the Coleford Hub and possibly renovate the existing notice board outside the Piano shop as the posts are solid and parishioners are still using the board.

### **Planning updates**

An email had been received on 22<sup>nd</sup> April from Bill Cotton the interim Service Director, Planning and Somerset Council apologizing for the lack of response to the Parish Council letter dated 17<sup>th</sup> December regarding the Rainer Appeal ref 2024/0163, Anchor Road, Coleford. He went on to outline why Somerset Council decided not to defend the appeal. He also outlined that the Planning Inspectorate's decision on the appeal was independent of Somerset Council and if The Parish Council has any concerns about the Inspector's decision, these should be directed to the Planning Inspectorate. There is currently no update on the Rope Walk appeal.

### **Asset of Community Value Certificate on the Coleford British Legion**

It was agreed that an application to extend the Asset of Community Value certificate for the Coleford British Legion would be sought. It was also suggested that the building should also be registered as a listed building. Both of these would be pursued by the Council.

## Highways

The following issues were reported:

- Pedestrian crossing by Beacon View junction light failed, reported and corrected.
- Charlton Road to Charmborough Lane junction - potholes on junction turning left reported again as vehicles on the wrong side of the road avoiding them.

- Charlton Lane - pothole at apex of sharp bend, inspection of whole length requested.
- Anchor Rd - traffic lights by RBL - questioned the need as no work being done on the highway, or anywhere else for 3 days inviting misbehaviour.
- Highbury St - damaged wall at entrance to old Mendip car park

Other issues:

- LCN Meeting - Concern raised at the safety issues at the Beacon Cross. The Council are encouraged to record every near miss. Please do email the Clerk [clerk@colefordpc.org.uk](mailto:clerk@colefordpc.org.uk) with any incidents for the council to pass on
- Highbury Street closure notified for 26th May. This would be questioned to see if traffic lights are proposed as it states that access will only be allowed for Emergency vehicles.
