

Crime Report from our PCSO for August 2026

Please see below the latest crime figures / report provided by our PCSO for your information:

Sadly, we have received reports that fields within the area have been targeted by poachers, resulting in local hare populations being completely stripped from some locations. I would be grateful if you could help make the local community aware of this issue and encourage residents to remain vigilant.

Please ask members of the public to report any suspicious activity and, where possible, safely obtain and pass on vehicle registration numbers (VRMs) relating to any suspicious vehicles or individuals. Any information, however small it may seem, could assist with our enquiries.

Thank you for your assistance

Kind Regards,

Will Mortimer
