## April 2024 Newsletter

### Post Office update

The opening hours for the pop-up Post Office, which is held @ the Hub, are changing. The Post Office will not be open on the Bank Holiday Monday 6<sup>th</sup> May but will open on Tuesday 7<sup>th</sup> May from 10 til midday continuing each Tuesday thereafter.

### Planning updates

2024/0163/OUT - Land at Anchor Road Lipyeate Coleford Frome Somerset, Outline application for the erection of up to 75 dwellings, associated infrastructure, landscape and biodiversity enhancements, all matters reserved except for access from Anchor Road

It was agreed that correspondence between the Parish Council and Avon and Somerset Police would be sent to the planning team, highlighting that the most important Harm would be to Highway Safety if this application was to be passed. Our recommendation to Refuse specifically cites 14 Road Traffic incidents as detailed to us by Avon and Somerset Police over a period of 10 years on Anchor Rd/Charmborough Lane. Copies of their emails dated 7-3-23 and 5-1-24 will be sent to the Highway officers that are dealing with the response to the planning application.

### 2023/0492/FUL – Leveling of the playing field.

Planning permission has been granted by Somerset Council with conditions  
We will keep you updated as soon as we hear more on how this will progress.

The Parish Council has submitted a response to the public consultation on Local Plan Part II

### Highways

The following points have been reported to Somerset Highways:

Stockhill - overhanging tree on south side reported and cleared. Edge erosion before 30mph sign coming into the village has been partially repaired but has got worse again.

Brewery Lane - the dropped covers on north side have been made good but edge erosion on south side getting worse.

Charmborough Lane - patches of edge erosion made good on south side, also dropped drains on Charlton Rd junction and by Hackmead Farm made up.

20mph signs by school - Highways have been in contact with the school and they have set the flashing lights to work on a timer. Going north the logic for not having flashing lights was that the humped pedestrian crossing should already slow vehicles down. If anyone has evidence that this is not working, we are encouraged to go back to Highways.

It was reported that Charity Lane and Dark Lane are in need of repair along with the surface damage outside Hollow House on Vobster Hill.

## Tree Nursery project

After consultation with the Coleford Conservation the Council has decided that the tree nursery will not impact on the other plots and should therefore go ahead at the preferred location. We look forward to seeing how this exciting project progresses of the coming years.

## Footpath reviews

We are fortunate to have two village Footpath officers, one covering North of Highbury Street and the other covering the South. They have completed thorough inspections of all the footpaths and have provided reports highlighting any issues which have since been sent to the Somerset Rights of Way officer to action any required repairs. Thanks so much to our Footpath Officers for completing the inspections - Great job!
