Newsletter for May

May is the month for the Annual Parish Council meeting, when we elect our Chair and Vice Chair along with allocating roles for each Councillor. We were pleased that Cllr Ham agreed to stay on as Chair and Cllr Pearce as Vice Chair. I've shared the list of Councillors and their roles below:

Working Party	Lead Councillor	Team members
Playing Fields, Play areas & Pump Track	Cllr Allen	Cllr Bell / Evans / Ham
Environment & Cemetery	Cllr Evans	Cllr Allen / Paterson / Townsend / Moulding
Allotments	Cllr Pearce	Cllr Ham / Moulding / Allen / Townsend plus an Allotment holder
Finance, Pay Review	Cllr Townsend	Cllr Ham / Pearce / Bell / Moulding / Clerk
Small Grants	Cllr Banks	Cllr Pearce / Evans

Lead / Link Councillors:

Footpaths / Rights of Way	Cllr Swords
Highways	Cllr Townsend / Pearce
Open Spaces & Trees	Cllr Swords / Moulding / Allen
Community Plan	Cllr Townsend / Bell / Paterson / Douglas-Burke
Young People	Cllr Ham / Banks
Climate	Cllr Moulding / Swords / Douglas-Burke
Community Payback	Cllr Moulding / Cllr Swords

Representatives:

Local Community Network group @ The Hub	Cllr Pearce / Townsend (Cllr Pearce has voting rights)
Bishop Henderson School & Preschool	Cllr Banks / Ham / Townsend
Football Club(s) Representative	Cllr Allen / Douglas-Burke
PCSO Scheme	Cllr Allen
Somerset Association of Local Councils	Cllr Banks / Evans
Quarry Liaison Group	Cllr Evans
Mendip Country Practice Patients Group	Cllr Pearce / Bell / Townsend
Parochial Church	Cllr Townsend / Paterson / Douglas-Burke
	Cllr Townsend

So many Thank Yous

During the Parish Council meeting the Chairman expressed thanks to:

- Cllrs Banks and everyone involved with the Theatre Group who put on the excellent production of 'Keep Smiling Through' to commemorate the 80th anniversary of VE Day. The feedback from those that attended was extremely positive with the bonus of raising funds for SSAFA the Armed Forces charity.

- Cllr Banks, Swords and Townsend for organizing the installation and unveiling ceremony for the Unknown Woman in War. This was a timely addition to the village during the 80th anniversary year of VE Day and acts as a fitting reminder of the part women played during wartime. The silhouette has been very well received although there was disappointment that it was considerably smaller than the Tommy especially when they were both purchased from the Royal British Legion.
- Cllr Pearce for his efforts in helping to set up the Community Shed for the village. The first meeting with the new committee and interested parishioners will take place next week Tuesday 20th May 2025 at the Hub starting @ 10am. We wish them good luck with the group which we are sure will be a welcome addition to the village.

A member of the public asked if the Parish Council if they could help to publicise the armchair aerobics class known as Fun, Fit and Fab and the Healthy Eating course (no charge to attend) which is currently being run by the village health connector. Both classes would be of benefit to the health of many people in the village but are both under subscribed and in danger of folding. It was agreed that Cllr Douglas would contact Mendip Country Practice to find out more about the courses, how they are currently promoted and how we might help support them in raising awareness. Cllr Douglas-Burke to ask if they could provide a monthly report which could be shared at the Parish Council meetings to help promote such schemes.

Parish Councilor vacancies

We currently have 2 Councilor vacancies. Are you passionate about Coleford?

Do you want to help make a long-lasting change? Do you have innovative ideas for the council?

Do you have concerns about a specific issue & want to do something about it?

We need people from all backgrounds and experiences who reflect their community to put themselves forward for co-option to the Parish Council. If you would like to find out more about the role of the Councillor and the work that the Council does, then please contact the Parish Clerk on 07971 516916 or email clerk@colefordpc.org.uk

Somerset Council

Somerset Councilor Barry Clarke had shared the detailed Somerset monthly report which is available with the minutes on the Parish Council website www.colefordpc.org.uk but he also added:

- The figures stated within the Council Tax letters that Social Care costs were incorrectly stated at 66% when in fact they were 74%
- Somerset Council are keen to enter into a reciprocal arrangement pairing with a town in Ukraine. It was questioned whether this was a scheme which the Council could afford to enter into given its financial status.
- It has become apparent that some Parish Councils have said that they will take on the responsibility for cutting Somerset owned grass but only if the asset is passed to them for £1. Somerset Cllr Clarke said that Somerset Council had also agreed to pay the legal costs. Cutting the grass when owned by the Parish doesn't help the financial burden but does make it more palatable.
- The LCN Highway group working party will reconvene 29th May from 2pm til 4pm. They last met in February 2024.
- Somerset Council are promoting the online system for reporting potholes and are encouraging members of the community to get involved and report direct via the website.
- Has a new source of funding which he will share by email as it might be of interest to Coleford Parish Council.
- Kier is contracted for maintaining the highway signs throughout the County but aren't doing it. Cllr Clarke will continue to press for action.

Police report

Last month three crimes were recorded which included theft, a drug offence and one for arson. Regular patrols are taking place in the village, particularly in areas where reports of anti-social behaviour have been received, including Mackintosh View and the football club car park. The Parish Council has agreed with the PCSO that the gate at the entrance to Highbury Playing Field car park will be closed overnight for a period of time in an attempt to stop the anti-social behavior.

Youth report

A detailed report had been provided from the YMCA who run the Coleford Youth Club which was informative and has been added to the Parish Council website for your perusal.

The Rainier Appeal and Gladman application

The appeal hearing will take place the 10th and 11 of June 2025. It is disappointing to hear that Somerset Council have already made the decision that they will not be defending the appeal on the basis that the harm is now more than outweighed by the housing shortfall, which was updated in December.

Many believe this development is not sustainable on the grounds of facilities, transport / road safety. With the lack of accident data on record, the roads are deemed safe. Advice had been sought from a Highway consultant recommended by CPRE on whether we are able to fight on the grounds of Highways knowing that there are multiple accidents that haven't made it onto the official accident data records. After considering the information on file, the consultant stated that there would be no merit in employing a consultant to fight the appeal as the Inspector was likely to concur with the previous findings.

It was asked how we are going to represent ourselves at the appeal. It was agreed that it was worth taking the angle that the cumulative effect of both applications would be too great. It was also felt that we should highlight the importance of the inspector doing the highway inspection with a representative from the village.

It was noted that a recent application in Beckington was deferred on the basis that there had been significant overspills of sewage into the neighbouring river, which totaled 853hours. During 2024 Coleford experienced 98 overspills of sewage into the river which totaled a much higher 1441hrs in total. During the planning process Wessex Water said that sewage was not considered an issue for the Rainier application yet for Gladman Wessex Water they said that restriction would be required as they could not accommodate the demand. It is odd that there is such a discrepancy between the 2 applications.

After discussion it was agreed that the Council would draft a brief for the appeal covering both the road safety concerns and questioning the sustainability in particular referencing the ongoing sewage issues which would be submitted to the Planning Inspectorate in writing and covered during the Councils opportunity to speak at the Appeal.

Cllr Ham and Cllr Townsend would attend the appeal on the 10th and 11th June and encouraged the presence of other members of the council or community to also attend.

Highways

If you spot any potholes or issues on the roads through Coleford or the surrounding area please report them via the Somerset website at www.somerset.gov.uk/roads-travel-and-parking/report-a-problem-on-the-road/

It's extremely quick and easy to use and it appears that the issues are inspected promptly, so why not give it a go.

Update on the Coleford Community Shed

The meeting on Saturday 26th April was well attended and successful. A steering group was formed and they will hold their first meeting with the new Chairman on Tuesday the 20th May at The Hub, @ 10am. The Parish Council will now drop away as agreed and allow the group to stand alone. Well done to everyone involved for getting this off the ground.

Date of Next Parish Council Meetings:

28 th May 2025	Planning meeting
14 th June 2025	Parish Council meeting

If you have any issues that you would like to bring to the Parish Council's attention, please contact the Clerk on 07971 516916 or email clerk@colefordpc.org.uk Check out the website www.colefordpc.org.uk
