The management of the cemetery extension to the right of the church lies with the Parish Council, the earlier graveyard being run by the Parochial Church Council.

1. An owner of a memorial is responsible for its maintenance and safety.
2. Trees, shrubs and other perennials must not be planted without express permission of the Parish Council.
3. Grave plots may however be planted with native early spring bulbs, but only aconite, snowdrop and crocus may be planted without specific permission.
4. No ornamental edging of any sort is permitted around the grave mound.
5. No glass ornaments or glass vases are allowed.
6. Vases (non-glass) should not be taller than 450mm and should be of a design that will not blow over. Vases and ornaments are only to be placed adjacent to the headstone.
