## Newsletter for January 2026

### Parish Councilor Vacancy

Do you live or work in the village? Passionate about Coleford? Want to help make a long-lasting change? Do you have innovative ideas for the council? Do you have concerns about a specific issue & want to do something about it? We need people from all backgrounds and experiences who reflect their community to put themselves forward for co-option to the Parish Council.

If you would like to find out more about the role of the Councillor and the work that the Council does, then please contact the Parish Clerk on 07971 516916 or email [clerk@colefordpc.org.uk](mailto:clerk@colefordpc.org.uk)

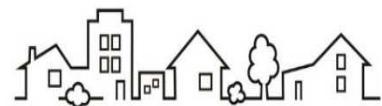

### Planning Applications

2025/2250/HSE - 15 Newbury Cottages, Newbury Hill, Coleford, Radstock.

First floor extension to side elevation

Coleford Parish Council recommended approval

Somerset Planning officer will make the final decision

A letter has been received from Illos Energy notifying the Council of a proposed solar development on land southwest of Cherry Garden Farm – The site is a total of 31 hectares. This is at the very start of the process and they have said they will consult with the Parish Council and Parishioners in the future.

2025/1770/PIP - Rope Walk, Notice of Appeal – Notification of appeal has been received.

The Council will give this further consideration at the next planning meeting, but will be looking to submit the original reasons for rejecting the application.

### PCSO

PCSO Will Mortimer provided a report which noted that during December there were 2 cases of violence against person recorded.

### Coleford Village Sign

The village sign looks resplendent after being professionally cleaned and repainted by local artist. The Parish Council are thrilled with the results and hope that the sign will stand proud into the future.

On a less positive note, we were extremely disappointed to see that the rifle has been snapped off from the Unknown Soldier. Sadly, this is not the first time that the tribute has been damaged, we have in the past had to reattach the bayonet on two occasions. Anyone with any information about how this damage has happened, please do contact the clerk on [clerk@colefordpc.org.uk](mailto:clerk@colefordpc.org.uk)

### Levelling of the Highbury Playing Field

Several people have asked what is happening with respect to the levelling of the Highbury playing field. We continue to be in contact with Pennys who are waiting for an appropriate site before the work can commence. This could happen at any time and once we have a date for the work to start, we will promote this on our website [www.colefordpc.org.uk](http://www.colefordpc.org.uk) and on social media.

## Highways

The following report was given:

- Fallen trees/hedges - good to see clearance work done at Vobster
- Highbury St - dropped drain and surround
- Charlton Lane junction - stones on road
- Halecombe - deep depressions and potholes beyond quarry entrance
- Shepton Mallet - potholes reported at Downside and Fosse Lane
- Owls Nest - long pothole reported
- Cherry Gardens Lane - potholes and edge erosion along whole length
- Charlton Rd junction with B3159 - Give Way lines invisible
- Charlton Park Road to Haydon - potholes along whole length

The following Highway issues were also discussed and will be reported to Somerset Council:

- The sign at the entrance to Beacon View is bent and grubby.
- Can we press to get a reduced speed limit implemented at Newbury school. The road also needs to be resurfaced.
- Pot hole near Glasses Farm in Holcombe
- Repaint request for 'Keep clear' on the road next to the old Co-op.
- Cllr Ham to chase up Somerset Highways Engineer Sara Davies for a response to the request for appropriate sites for Speed Indicator Devices.

## Coleford Food Store

A representative from the Coleford Food Store gave a presentation. The group currently comprises of 5 volunteers who work to coordinate the delivery of food parcels and managing food donations. Over Christmas they issued 14 hampers and even a Christmas tree which had been provided by Ammerdown House. It is hoped that next Christmas this can be extended to more people.

The Coleford store is covering Coleford, Holcombe and the neighbouring village and are taking

  
referrals from Mendip Country Practice, Citizens Advice, Bishop Henderson School and Mendip Connections. The group are currently working out of the Church Hall on a Friday 2.30pm til 4.30 and @ The Coleford Hub on a Monday from 1pm - 2.30pm. During these times people are welcome to drop off donations and collect if previously arranged. Donations are also accepted at the Mendip Country Practice.

Lack of storage space is an issue and they currently have no fridge, so can only take tins and dried food. In the future they would like to open a community larder to allow them to take fresh produce. If anyone has any suggestions of premises that can offer more room please get in touch.

Anyone in need of support should contact one of the referral groups mentioned above who will be happy to advise. Further information can be found on Facebook, search **Coleford Foodstore, Independent Foodbank** or email [colefordfoodstore@gmail.com](mailto:colefordfoodstore@gmail.com)

## Date of Next Meetings:
